Give us hope

Listen to the sound of my voice, can you feel the beat of my heart?
Listen to the questions I have Listen to me
It's all very simple, to see what we need
Give us hope, my voice is calling
Can you see?
Look in my eyes
Can you feel?
My hand is reaching Give us hope and we'll show you the way

Listen to the sound of my voice. Can you feel the beat of my heart?
Listen to the questions I have Listen to me
We are the future, Help us believe
Give us hope, my voice is calling
Can you see?
Look in my eyes
Can you feel?
My hand is reaching Give us hope and we'll show you the way

Take my hand, now look in my eyes Tell me what you see
Give us hope, my voice is calling
Can you see?
Look in my eyes
Can you feel?
My hand is reaching Give us hope and we'll show you the way

Give us hope, my voice is calling
Can you see? Look in my eyes
Can you feel?
My hand is reaching Give us hope and we'll show you the way
Show you the way
Show you the way
Show you the way

See you again

It's been a long day without you, my friend
And I'll tell you all about it when I see you again
We've come a long way from where we began
Oh, I'll tell you all about it when I see you again
When I see you again

(RAP)

Dang, who knew?
All the planes we flew, good things we been through
That I'd be standing right here talking to you
'Bout another path, I know we loved to hit the road and laugh
But something told me that it wouldn't last
Had to switch up, look at things different, see the bigger picture
Those were the days, hard work forever pays
Now I see you in a better place (see you in a better place)

(CHORUS)

How can we not talk about family when family's all that we got?
Everything I went through, you were standing there by my side
And now you gon' be with me for the last ride
It's been a long day without you, my friend
And I'll tell you all about it when I see you again (I'll see you again)
We've come a long way (yeah, we came a long way)
From where we began (you know we started)
Oh, I'll tell you all about it when I see you again (I'll tell you)
When I see you again

(RAP)

First, you both go out your way and the vibe is feeling strong
And what's small turned to a friendship, a friendship turned to a bond
And that bond will never be broken, the love will never get lost
(The love will never get lost)
And when brotherhood come first, then the line will never be crossed

Established it on our own when that line had to be drawn
And that line is what we reached, so remember me when I'm gone

(CHORUS)

How can we not talk about family when family's all that we got?

Everything I went through you were standing there by my side

And now you gon' be with me for the last ride

So let the light guide your way, yeah

Hold every memory as you go

And every road you take

Will always lead you home, home

It's been a long day without you, my friend

And I'll tell you all about it when I see you again

We've come a long way from where we began

Oh, I'll tell you all about it when I see you again

When I see you again

When I see you again (yeah, uh)

See you again (yeah, yeah, yeah)

When I see you again

Memories (MEDIUS/DOMINUS)

Here's to the one's that we got
Cheers to the wish you were here, but you're not
'Cause the dreams bring back all the memories
Of everything we've been through
Close to the ones here today
Close to the ones that we lost on the way
'Cause the dreams bring back all the memories
And the memories bring back, memories bring back you

There's a time that I remember, when I did not know no pain
When I believed in forever, and everything would stay the same
Now my heart feel like December when somebody say your name (ay, ay)
'Cause I can't reach out to call you, but I know I will one day, yeah
Everybody hurts sometimes
Everybody hurts someday, yeah
But everything gon' be alright
Go and raise your voice and say, Hey

Here's to the ones that we got
Cheers to the wish you were here, but you're not
'Cause the dreams bring back all the memories
Of everything we've been through
Close to the ones here today
Close to the ones that we lost on the way
'Cause the dreams bring back all the memories
And the memories bring back, memories bring back you

Doo doo, doo doo, doo doo
Doo doo, doo doo, doo doo, doo doo
Doo doo, doo doo, doo doo doo

Memories bring back, memories bring back you
There's a time that I remember when I never felt so lost
When I felt all of the hatred was too powerful to stop (ooh, yeah)
Now my heart feel like an ember and it's lighting up the dark
I'll carry these torches for ya that you know I'll never drop, yeah

Everybody hurts sometimes
Everybody hurts someday, ay ay
But everything gon' be alright
Go and raise your voice and say, ay

Here's to the ones that we got
Cheers to the wish you were here, but you're not
'Cause the dreams bring back all the memories
Of everything we've been through
Close to the ones here today
Close to the ones that we lost on the way
'Cause the dreams bring back all the memories

And the memories bring back, memories bring back you

Doo doo, doo doo, doo doo
Doo doo, doo doo, doo doo, doo doo
Doo doo, doo doo, doo doo doo

Memories bring back, memories bring back you
Doo doo, doo doo doo doo
Doo doo, doo doo, doo doo, doo doo
Doo doo, doo doo, doo doo doo

Memories bring back, memories bring back you
Doo doo, doo doo doo doo
Doo doo, doo doo, doo doo, doo doo
Doo doo, doo doo, doo doo doo

Memories bring back, memories bring back you
Here's to the ones
Cheers to
Memories bring back,
memories bring back you
Here's to the ones here today
Close to the ones
Memories bring back, memories bring back you
