HOW TO AUDITION

Auditions are by appointment only
To schedule a time please email:
yva@youngvoicesofaustin.org
or call us at 512-617-3908

WHAT WE OFFER

DIVERSITY

Austin is a truly heterogeneous community with no ethnic or demographic group comprising a majority. Our afterschool program seeks to match the cultural, ethnic and socioeconomic makeup of the greater Austin area. We welcome choristers, management and staff of all racial, religious and socioeconomic backgrounds.

MUSIC LITERACY

Choristers will learn critical music skills such as sight-reading, vocal technique, and performance based skills for the advancement of their cognitive and social development. Additionally, singers will engage in folk song and dance.

ACADEMIC EXCELLENCE

Students will receive tutoring and/or homework assistance in several subject areas to help advance their academic achievement and reinforce excellent homework habits and study skills. High Schoolers will receive assistance with college applications, FAFSA, and preparation for the SAT/ACT entrance exams.

FINANCIAL LITERACY

Our Choristers will develop financial responsibility and decision making skills by participating in the curriculum developed by PriceWaterhouseCoopers.
